How it works:

Students will be provided with 10 membership forms, tracking sheet, and envelope for checks/cash. Students sell Family or Individual memberships to friends, family, grandparents, etc. Purchaser provides information on membership form. Student will collect

check or cash upon receiving completed membership form. Student turns in all money and completed forms to school's designated fundraiser chairperson. The chairperson delivers all money/form envelopes to Minnesota Discovery Center. MDC will process all forms and send membership cards and information to new members. MDC will send checks with school's share of sales to the School Business Office.

Additional membership forms will be available through fundraising chairperson or by calling Minnesota Discovery Center: 800-372-6437.
